IMAGINE MORE

EU&ROW

OUR VISION

Danziger specializes in research and development of new ornamental crops and varieties.

We aim to maintain and strengthen our position as a global leader in breeding, production and marketing of plant material.

We strive to reach this goal through advanced research, innovation, excellence, diligence and determination, in Israel and around the world.

We are personally committed to our customers and employees, conducting fair business while respecting nature and the environment.

Together with our employees, we are passionate about our creations, powered to surprise and imagine more.

Our values:

- Passion and Innovation
- Excellence and expertise
- Diligence and ongoing research
- Solid business ethics
- Committed to customers and employees
- Teamwork and family environment

General Information:

Danziger's varieties, as well as varieties of other breeders presented in this catalog, are all proprietary, and may be protected by Utility Patents, Plant Patents and/or Plant Breeders Rights (PBR).

These varieties may not be reproduced without authorization. All varieties are subject to payment of License Fees, and any unlicensed propagation is strictly prohibited.

The use of the symbol ® denotes a registered trademark in either territory. The use of the symbol ™ denotes a trademark of Danziger and/or any other breeder it represents, unless otherwise indicated. The use of Danziger's services and products are subject to Danziger's General Terms and Conditions.

DANZIGER'S PERENNIALS

2023-24

ASSORTMENT

Dear Partners,

We are excited to share with you our new 2023-2024 Perennials Catalog.

Danziger offers a diverse mix of perennials as top quality unrooted cuttings.

The full line is produced and supplied through Danziger Kenya, and controlled under our strict protocols.

All Danziger genetics are first year flowering which has the benefit of no bulking or vernalization requirements.

This year we expanded our Perennials assortment through a new partnership with Walters Gardens to become its dedicated licensee and producer of vegetative cuttings.

We invite you to IMAGINE MORE with the Danziger perennial assortment worldwide!

The Danziger Team

DANZIGER KENYA

We pride ourselves as being a center of excellence for both breeding and production of plants and flowers. Our production processes take place in state of the art facilities with cutting edge equipment in order to produce and supply top quality plant material.

- End-to-end Production Supply Chain
- High-quality clean cuttings at highest standard
- Global Operations
- Agile Response to our customer's needs 24/7
- Advanced Information Technology support systems
- Strong link to market
- International Production Standards

Located in
Nueva-Santa Rosa, Guatemala

12 Acres
and Expanding

Provides services mainly
to the North American market

Employees: 500
High season: 540

ORDERING

Danziger supports its customers and provides them with available products and a flexible ordering protocol. With Danziger's production you can expect high-quality clean cuttings at highest standard.

FIRST CUTOFF

Until Tuesday, a week before the shipment- new orders and changes can be made according to CET time (23:59 Israel time)

LATE ORDERS

The changes will be made manually with the approval of customer service

NEW!

STAND BY

We offer the possibility to place standby orders when availability is short, subject to approved by customer service

Order Terms

- Minimum Orders -12,000 URC's & 100 per variety
- Annuals and Perennials can be combined in the same order/box
- Stand by orders will be answered within 48 hours
