Dear Partners,

We are thrilled to present to you our new 2024-2026 Perennials Catalog, now updated to be biennial, aligning with our commitment to greener practices. Danziger offers a diverse mix of perennials as top quality unrooted cuttings. The full line is produced and supplied through Danziger Kenya, and controlled under our strict protocols. All Danziger genetics are first year flowering which has the benefit of no bulking or vernalization requirements. We invite you to IMAGINE MORE with the Danziger perennial assortment worldwide!

The Danziger Team

SUNSTRONG™ YELLOW

DANZIGER KENYA

Located in
Naivasha, Kenya

12 ha

The information regarding tolerance presented in this catalog is the result of tolerance demonstrated on field observation and/or laboratory diagnostics, as applicable. Danziger makes no representation and does not warrant or guarantee that the variety will indeed present the said tolerance in practice due, among other, to different factors who might accrue in the cultivation area.

ENJOY THE EXPERIENCE WHILE GROWING YOUR OWN NATURAL-LOOKING BOUQUET. YOU DON'T NEED TO BE A FLORIST OR A PROFESSIONAL GARDENER TO GET THE BEST FROM YOUR CUT FLOWER GARDEN

Pre Commercial

2025

This DIY program allows the home gardener to grow, nurture and collect fresh flowers from their own garden – from the garden to the vase.

WE KNOW CUT FLOWERS we carefully trialed and selected the best varieties to fit this program from Danziger's cut flower genetics. Each bloom has a vase life of 7-10 days.

Garden to Vase, GROW your garden, **CUT** your flowers, **ENJOY** your blooms, **REPEAT** the cycle, season after season.

This program is a pre commercial - Available for trials

Delivering Convenience and Flexibility Together

Online Ordering System

Our online ordering system is design for your convenience, ensuring that placing and managing orders is both quick and effortless.

- Place new orders
- Update existing orders
- EDI connection for faster service
- Access real time availability
- Placing stand by orders

Contact our team today to start ordering through our user-friendly online system.

Flexible Ordering Protocol

FIRST CUTOFF

Until Tuesday, one week before the shipment date, new orders and changes can be made, up to 23:59 CET (Israel time)

LATE ORDERS

The changes will be made manually with the approval of customer service

STAND BY

If product is not showing available, a standby order can be placed by EDI or requested by email. Our customer service team will review and respond within 48 hours.

NEW!

Order Terms

- Minimum Orders -12,000 URC's & 100 per variety
- Annuals and Perennials can be combined in the same order/box
- Stand by orders will be answered within 48 hours
